Free printable grammar worksheets for 1st grade

I'm not robot!

Click on any topic to view, print, or download the worksheets. All of our worksheets are free for non-commercial and personal use. Discover the world of geometry with these worksheets for 1st-grade students. These 10 worksheets will teach children about the defining attributes of common shapes and how to draw them in two dimensions. Practicing these basic geometry skills will prepare your student for more advanced mathematics in the grades ahead. Deb Russell Print the PDF Learn to distinguish between squares, circles, rectangles, and triangles with this worksheet. This introductory exercise will help young students learn to draw and identify the basic geometric forms. Deb Russell Print the PDF Can you guess the mystery shapes with these clues? Find out how well you can remember basic forms with these seven word puzzles. Deb Russell Print the PDF Practice your shape-identification skills with some help from Mr. Funny Shape Man. This exercise will help students learn to distinguish between basic geometric shapes. Deb Russell Print the PDF Find the shapes and color them in! This worksheet will help youngsters practice their counting skills and their coloring talent while learning to distinguish shapes of various sizes. Deb Russell Print the PDF Each of these 12 animals is different, but you can draw an outline around each of them. First-graders can work on their shape-drawing skills with this fun exercise. Deb Russell Print the PDF Cut and sort basic shapes with this fun hands-on activity. This worksheet builds on early exercises by teaching students how to organize shapes. Deb Russell Print the PDF Find all the triangles and draw a circle around them. Remember the definition of a triangle. In this exercise, youngsters must learn to distinguish between real triangles and other forms that merely resemble them. Deb Russell Print the PDF Time to explore the classroom with this exercise. Take a look around your classroom and look for objects that resemble the shapes you've been learning about. Deb Russell Print the PDF This worksheet gives students a chance to get creative as they use their knowledge of geometry to create simple drawings. Deb Russell Print the PDF This final worksheet will challenge youngsters' thinking skills as they use their new geometry knowledge to solve word problems. Skip to main content These worksheets introduce students to parts of speech, punctuation and related concepts which form the building blocks for writing proper sentences. The word work gives students the rules right on the page with examples. For each section students have to use the new words they created in sentences to reinforce their learning!Subjects:FREE! Monster Adjectives Worksheetby In this worksheet, students will describe a monster using pre-made adjectives either by cutting out and gluing the adjectives onto the boxes or by writing them in. It is a double sided worksheet but there is enough space on the second page for the student to be able to cut out the pre-made adjectives if they choose to do so. On the second page, students will write in their own adjectives. Some suggestions are provided but they do not have to use them. Then they will draw their own monster baseHomophones!by This page gives some common homophones that elementary children are familiar with. It includes 9 sets of homophones (18 words total). It includes the homophone sets, with kid-friendly pictures that show the different meanings of the words.Fact or Opinion Sample Packby This sample pack is part of a 40 page Fact or Opinion Pack Please download it to assess the quality of my work and if you like it, you can purchase the full pack here Fact or Opinion Pack The full Fact or Opinion Pack Includes: Differentiated Activities QR Scanner Activity Anchor Charts Worksheets Differentiated Sorting Activity Board Games Non Fiction Book Activity Worksheets Differentiated ComprehensionsAlphabet Printables FREEby With a page dedicated to each letter of the alphabet, and real-life photographs of animals and objects that begin with each letter, this workbook is a great tool for teaching your students the alphabet. Each page features: -Uppercase tracing and writing practice -Lowercase tracing and writing practice -A matching or vowel sound activity -Photographs -Six extra practice pages -A total thirty-three pages + an answer key Enjoy teaching! And feel free to contact me should you have any questions!Writing Sentences and Paragraph Graphic Organizersby Help your students learn to write sentences and paragraphs with this writing packet! It contains everything you need to help students with a "line-upon-line, precept-upon-precept" approach to writing. There are 8 worksheets in all, containing everything you need to go from simple sentences to paragraphs. Begin with the basics of putting a sentence together and then guide your students through writing their sentences in a list and in then in a paragraph. Both the graphic organizers and the writinPrepositions of Time Workbookby Now updated with 5 new introductory quiz worksheets and 4 reviews! This story-based grammar workbook helps students learn to identify and use prepositions in a sentence, see prepositions and times together as a unit (in prepositional phrases, as they'll learn in later grades), and begin to recognize sentence variation–"on Saturday," for instance, can be used within a sentence or to start a sentence. This workbook is aligned to the CCSS elementary – Literacy. L. 1. 1i: "Use frequently occurringSentence Scramble *FREEBIE*by During the first few weeks of school and throughout the year, sentence structure and punctuation are two areas we strive to improve.These worksheets are designed to help your students put together sentences in the proper order and use the correct punctuation. Have them cut out each row, put them together then glue them onto construction paper. Make sure your students put the sentence together before gluing them down, I needed to remind my class a few times!Subjects:Page 9This product includes twelve March-themed sentences for the students to edit as well as an editing guide with the CUPS acronym (Capitals, Understanding, Punctuation, Spelling). The students will read each sentence and decide if it is a sentence or fragment. If it is a sentence, they will rewrite it correctly with capitals and ending marks. If it is not a sentence, they make it one and add capitals and ending marks. **This activity can be used for Morning Work, Literacy Centers, Assessments, HoPage 10This product includes twelve January-themed sentences for the students to edit as well as an editing guide with the CUPS (Capitals, Understanding, Punctuation, Spelling). The students will read each sentence and decide if it is a sentence or fragment. If it is a sentence, they will rewrite it correctly with capitals and ending marks. If it is not a sentence, they make it one and add capitals and ending marks. **This activity can be used for Morning Work, Literacy Centers, Assessments, HomeworkPage 11These six FREE reproducible sheets cover homophones, bee vocabulary, thinking skills, and a create-your-own-story activity. They feature Bizz and Buzz, the two main characters in my children's book, BIZZ & BUZZ MAKE HONEY BUNS (Grosset & Dunlap/Penguin). However, no knowledge of the book is necessary to use the worksheets. In the book, the two bees use a little "flower" to follow a recipe, which would make it a fun story for introducing homophones. The book is available from all major rPage 12GOOD DAY!This serves as a preview for the $3.50 product of the same topic.This product sharpens your students' knowledge about singular and plural nouns. Please be advised that this product only focuses on the two basic rules for changing singular nouns into plural. 1. Adding -s for most singular nouns. 2. Adding -es for singular nouns ending in -ch, -sh, -x, -s, and -ss. For Rule #2, I did not include some singular nouns ending in -o (example, hero ---> heroes).As of this writing,Page 13Prefixes and Suffixes Freebieby This download includes both Prefixes and Suffixes posters that can be used to introduce prefixes and suffixes to the students. Each poster has the most common meaning and example words. The corresponding worksheets give students additional practice adding prefixes and suffixes to base words according to the meaning. Students can use the Notebook Cut-outs in their own notebooks to reference when they need to. For more Prefixes and Suffixes check out these links below: Prefixes and Suffixes SuEditing Sentences in Spanishby Let's correct sentences! Students look for uppercase letters at the beginning of each sentence, finger spaces, and correct punctuation. Students use the check box at the top of each page to remind them of what they are looking for. They rewrite each sentence correctly and check off the parts when they look over their work at the end. Students work independently or with adult support to complete each sentence correction. Students need some more support? Read the sentences aloud to help studentsContractions Worksheetby FREE Contractions Activity Sheet This contractions worksheet is free for you to share with your students. Use this worksheet after a lesson to check for understanding or as homework to help students practice on their own. Thank you for visiting my store! Terms: Copyright © educatingeveryone4life. The students will read each sentence and decide if it is a sentence or fragment. If it is a sentence, they will rewrite it correctly with capitals and ending marks. If it is not a sentence, they make it one and add capitals and ending marks. **This activity can be used for Morning Work, Literacy Centers, Assessments, HoPage 20This product includes twelve February-themed sentences for the students to edit as well as an editing guide with the CUPS (Capitals, Understanding, Punctuation, Spelling). The students will read each sentence and decide if it is a sentence or fragment. If it is a sentence, they will rewrite it correctly with capitals and ending marks. If it is not a sentence, they make it one and add capitals and ending marks. **This activity can be used for Morning Work, Literacy Centers, Assessments, HomeworPage 21Suffix Practice - Roll the Dice - (ed, ing, er, est)by Adding suffixes can be tricky! This is a fun way to get your kids to practice how to add a suffix to a base word. There are words that they will need to double the final consonant, so be sure to cover that before this worksheet. This can be done as independent work or partner work. Students just need one dice, the key on top tells them what ending to add, based on what number they roll. ***NOTE: there are some words that won't make sense with a certain ending, I told my kids to be watchful for "Short and Long Vowel Worksheetsby Phonics Flip Book- Short and Long vowel review, blends. I am so excited to share this freebie with you. We have created over 30 differentiated flip books to complement the skills from the Journeys 2nd Grade reading series.----------Click below to see the bundle: Flip Book BundleThis is a fun flip book to practice various phonics skills.This particular book is a review with r, l, s blends, short and long vowelMr. Putter & Tabby: Writing Complete Sentencesby Using the context of this entertaining Read Aloud, students are asked to identify the naming part when given the action part. The remainder of the worksheet requires them to put the action parts in chronological order, write their own original complete sentence synthesizing their understanding of the story and then rewrite their complete paragraph after the topic sentence which was highlighted at the beginning of the worksheet to reintroduce the grammar (subjects and predicates). Enjoy this freCompound Words FREEBIE!by Josie's Classroom-Josie HarbersThis freebie contains one cut and paste worksheet and a center activity to practice compound words. The center is a puzzle activity where students find both parts of the compound word and the picture to match. On the worksheet, students must locate both parts of the compound word and glue them next to the correct picture. I hope you students enjoy these activities! If you enjoy this FREEBIE, I would greatly appreciate your feedback! You might also like these Beginning Blends Activities!Compound Word Matching Cards and Recording Sheetby Just print out the compound word matching cards, laminate, and let the students play! They can play a memory game, Fan and Pick, or just sort the cards. There is a recording sheet included on the last page. My students really enjoyed this activity. I printed out three sets of cards and split the students into groups. They had a contest to see which group could finish first!Subjects:Types:Adjectives - bugs worksheetby My students got creative with adjectives about bugs after reading "The Bug Book" from the Scholastic Grammar Tales set. Even without the book, it's a great familiar topic for all students to start writing descriptively! See a sample completed page here on my blog: Sorting FREEBIE {2 Winter Centers}by This Winter FREEBIE includes 2 center activities: a synonym/antonym sort and a contraction match. It also includes a self-correcting component for instant feedback! Contents: page 4- synonym poster page 5- antonym poster page 6- Snowy Sorting Child direction sheet page 7- Snowy Sorting headers page 8-10 snowflake synonym and antonym pairs page 11- recording sheet page 12- Snowy Synonym follow-up sheet page 13- Mitten Match-up child direction sheet page 14-16 mitten contractions page 17- recordPage 22Print-and-use spring-themed word work packet includes: ABC order, compound words, singular/plural noun sort, color by noun and verb, fact and opinion, color by verb tense, contractions, synonyms, antonyms, draw & illustrate, and pronouns.
